The distribution of this financial services guide (**FSG**) is authorised by the Licensee.

## Purpose of this document

The purpose of this FSG is to assist you in deciding whether to use our services by giving you information about the type of services we provide, how we are remunerated and your rights when you have a complaint about the services we provide to you.

We recommend that you read and understand this FSG before you engage us to provide you with any financial services. If you have any questions, please get in touch with us.

## Not Independent

Because we receive:

- commissions on the sale of life risk insurance products that are not rebated in full to clients; and
- stamping fees from Initial Public Offerings and placements of shares from time to time (where permitted by law),

we are not able to refer to ourselves or our advice as 'independent', 'impartial' or 'unbiased'.

## Additional documents you may receive from us

When we provide you with financial planning services you may receive:

- a Statement of Advice (**SoA**) or Record of Advice (**RoA**). These documents set out the advice we provide to you. If you have not been provided with the RoA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us;
- a Product Disclosure Statement (**PDS**) which provides details about the significant risks and benefits, costs, charges and other significant characteristics or features of the products we have recommended.

If you enter into an ongoing service agreement with us, you will receive annual fee disclosure statements and we will ask you to renew the agreement and consent to the deduction of advice fees from your account each year.

## Financial services we are authorised to provide

We are authorised to provide personal advice and dealing services to both retail and wholesale clients for the following financial products:

- deposit and payment products (basic and non-basic deposit products);
- derivatives;
- debentures, stocks or bonds issued or proposed to be issued by a government;
- life risk insurance;
- interests in managed investments schemes including investor directed portfolio services and MDA services;
- retirement savings accounts products;
- securities;
- standard margin lending facility; and
- superannuation.

## **How can you provide us with instructions?**

You can give us instructions by phone, email or any other means that we agree with you from time to time. Please refer to our engagement letter for more information on this.

## **Who does the Licensee act for?**

As authorised representatives, we provide financial services on behalf of the Licensee. In providing those financial services, the Licensee acts on its own behalf.

## **Fees**

All fees are payable to Argent Wealth. Steven and Peter own shares in Argent Wealth and share in the profits that it makes.

### **Personal advice**

We will charge you a fee for any personal advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with personal advice. The amount of these fees usually ranges from \$1,000 to \$5,000 but may exceed this range in complex cases. These fees will be agreed with you beforehand as part of an engagement letter and will be disclosed in a SoA or RoA which will be provided to you.

### **Ongoing fees**

Our ongoing advice service fees depend on the ongoing service that we provide to you. They are typically charged as a percentage based on the value of your portfolio and are paid monthly. These fees usually vary from \$2,000pa to \$60,000pa but this is a guide only. The amount of ongoing fees will depend on your total assets under management and other factors such as the complexity of your portfolio, the regularity of reviews and any additional services we are providing.

The ongoing advice service fee will be agreed with you in our ongoing service agreement.

### **Brokerage fees**

We may charge a brokerage fee of between 0.00% and 1.00% (plus GST) when you buy or sell listed investments. This fee will typically be applied to each transaction as a set percentage of the investment amount.

For example, if you were to purchase \$100,000 worth of listed Investments, we may charge brokerage of between \$0 and \$1,000.

The services and fees will be set out in the SoA or RoA that we provide to you.

## **Insurance commissions**

We may receive a one-off upfront commission when you take out an insurance policy we recommend. The upfront commission will be between 60% and 70% of the first year's annual premium.

We may also receive an ongoing commission payment of between 0% and 25% of the annual premium for as long as you continue to hold the policy.

For example, for an insurance product with an annual premium of \$2,000, where the issuer pays us an upfront commission of 60%, we will receive \$1,200. The issuer will pay us 10% of the annual premium as ongoing commission for as long as you hold the product. Assuming an annual premium of \$2,000, this equates to \$200 per year.

You will be advised of the exact amount of these commissions in the SoA or RoA.

## **Other Benefits**

We may also receive additional benefits by way of sponsorship of education seminars, conferences or training days. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

We may in some cases receive stamping fees on initial public offerings or placements of shares where permitted by law. These range from 0.5% to 1.5% of the transaction amount.

For example, if you were to be allocated \$100,000 worth of shares via a placement, we may receive between \$500 to \$1,500.

## **Adviser remuneration**

Steven and Peter are paid a base salary and do not receive commissions from product issuers. However, they share in the profits that Argent Wealth makes.

## **Associations**

We are required to disclose any associations or relationships between us, our related entities and product issuers that could reasonably be capable of influencing the financial services we provide to you. No such associations or relationships exist.

## **Conflicts of Interest**

Steven and Peter may recommend investments in shares that they hold or may hold in the future. You will be advised where a conflict of interest may exist and how the conflict will be managed.
